## MID LAUNCH WITH LOW SPIN.

**MODERN CHASSIS** - A modern shape with a tour proven profile creates a deeper CG for added stability.

**DEEP FACE** - Smaller, deeper face provides confidence for players who want shot control.

**MULTI-RELIEF SOLE** - Sole contours minimize turf resistance and ensure the ground contact point remains forward reducing bounce and skip.

**SUREFIT SWINGWEIGHT SCREW** - Factory installed balance weight helps position the CG deep and provides precise head to shaft matching.

**PRECISE CONSTRUCTION** - Precision cast stainless steel body with a Carpenter steel face insert for lively feel and increased ball speed.
