Claims Verification,

Yesterday, in our annual TRMC Foundation tournament, we had a verified hole in one, by Mr. Jeremy Meredith. He played the white tee markers, which measured 166 yards. The shot was witnessed by 3 other players as well as the designated spotters located on the tee box and green for the occasion. The shot was his first of the day, making it an even more spectacular event.

If any other information is needed for verification please do not hesitate to let me know.

Sincerely,

John Rowland
